	The Operations Headquarters at the Berlin VP headquarters	rters was renamed Einsatzsteb
	(alert headquarters) and was subordinated to it takes duration of the four-power foreign ministers' confer commitment was "Amsel". Additional 400 criminal pol Einsatzatab and committed as special patrols in all	ence. Code word for this ice were assigned to this East Berlin suburbs.
	2. After 20 January 1954, Einsatzstaebe (alert headquarters) were also activated in all eight Inspektionen (districts) of the Berlin VP headquarters. They were commanded by the district chiefs and included a special detachment of 25 VPs and 50 to 60 criminal pedice officers each. The criminal police personnel was detached from zonal ports.	
	3. After 20 January 1952, 30 armored scout cars mounting for special commitment in the courtyard of the Berli	ng machine guns were kept ready in VP headquarters. The crews of in Bissenthal for the same

30 police radio cars were retrained on armored cars in Biesenthal for the same purpose prior to mid-January 1954. The crews were scheduled to take over armored scout. sars on the code order "Toni, receive extra rations" and to be committed under the direction of the headquarters for radio-controlled patrol-cars. Comment. The information confirms previous reports by deserters which indicated that the Schneil - und Einsatzkomwandos (flying squads) of the police were
